

To apply for a grant, just complete this form with as much detail as you can and send it to the address below. On receipt of your application, we will send you an acknowledgement within seven days.

As the grants committee meets every two months, you should expect a decision on your application within 10 weeks at the longest. However, if you require a decision sooner, please state this on the form or in a covering letter and we will do our best to help.

If required, a member of the grant committee may contact you for more information to help in the decision making process.
